SCIENTIFIC PROGRAMME - FRIDAY 26 MAY, 2023

	Room del CASTELLO 1		Room del CASTELLO 2		Room del TEMPIO 2		Room del PONTE
	INTERNAL MEDICINE		EMERGENCY AND CRITICAL CARE		FELINE MEDICINE		REHABILITATION AND SPORTS MEDICINE
	Infectious diseases What's new on the main viral diseases in cats		The polytrauma patient: what we learned in the last years?		The elderly cat: musculoskeletal and behavioral problems		Repair, rehab, win again. Be a top performer after injury
	Chairperson: Francesca Del Baldo		Chairperson: Ferdinando Tripaldi		Chairpersons: Emanuela Calò, Stefano Bo		Chairperson: Chiara Adorini
09:00	Welcome and introduction	09:00	Welcome and introduction	09:00	Welcome and introduction	09:00	Welcome and introduction
09:05	Feline infectious peritonitis: diagnosis update Katrin Hartmann	09:05	Trauma Triage: "A good beginning is half the battle" Celine Pouzot Nevoret	09:05	The outpatient approach to the elderly cat: premises and new indications Stefano Bo 	09:05	Working with canine athletes and their owners. Mind, consciousness and early signs of weakness Jana Gams 
09:50	Feline infectious peritonitis: current status on treatment options Katrin Hartmann	09:50	Head trauma: When the intensivists make the difference Celine Pouzot Nevoret	09:50	The basics of pain Davide Gamba	09:50	Individual Phases of healing. Not a process of recovery, a process of discovery Jana Gams
10:35	<i>Short communication</i>	10:35	 Coffee Break & Exhibition	10:35	 Coffee Break & Exhibition	10:35	 Coffee Break & Exhibition
10:55	 Coffee Break & Exhibition	11:10	<i>Short communication</i>	11:15	The cat with arthritic pain: a multimedia "medical" approach to the elderly cat Sorrel Langley-Hobbs 	11:10	<i>Short communication</i>
11:30	What's new on FELV Katrin Hartmann 	11:30	Chest trauma Guillaume L. Hoareau		11:30	Keep calm and build your front Jana Gams	
					12:00	Behavior in the elderly cat with pain Manuela Michelazzi	
12:15	 Lunch break & Exhibition	12:15	 Lunch break & Exhibition	12:45	 Lunch break & Exhibition	12:15	 Lunch break & Exhibition
	Chairperson: Francesca Del Baldo		Chairperson: Ferdinando Tripaldi		Chairpersons: Emanuela Calò, Stefano Bo		Chairperson: Chiara Adorini
	Vector-borne diseases in dogs and cats: how to identify and to treat them	14:00	Abdominal Trauma: to cut o not to cut? Guillaume L. Hoareau	14:00	The orthopedic visit, from the basic to the specialist aspects Sorrel Langley-Hobbs 	14:00	Hurry up: strengthen your butt! Make muscles no excuses Jana Gams
14:00	Vector-borne diseases in cats Katrin Hartmann						
14:45	Diagnosis of the main tick-borne diseases in dogs Walter Bertazzolo	14:45	Post-traumatic SIRS in cats: an impossible challenge? Celine Pouzot Nevoret	14:45	Reading an X-ray examination in cats with osteoarthritis Sorrel Langley-Hobbs	14:45	It takes a strong heart and a good spine to get rid of the pain and go back to the game Jana Gams 
15:30	<i>Short communication</i>	15:30	 Coffee Break & Exhibition	15:30	 Coffee Break & Exhibition	15:30	<i>Short communication</i>
15:50	 Coffee Break & Exhibition	16:10	<i>Short communication</i>	16:00	Treatment of osteoarthritis pain and new therapeutic approaches Sorrel Langley-Hobbs 	15:50	 Coffee Break & Exhibition
16:30	Tick-borne diseases in dogs: how to treat and how to monitor them Francesco Dondi	16:30	Trauma-induced coagulopathies, defense strategy Guillaume L. Hoareau		16:45	Questions and discussion	16:30
17:15 Adjourn							

SCIENTIFIC PROGRAMME - SATURDAY 27 MAY, 2023

	Room del CASTELLO 1		Room del PONTE		Room del BORGO		Room dell'ARCO
	CLINICAL PATHOLOGY		DENTISTRY		MINIINVASIVE SURGERY		VII° International Congress 
	The behind the scenes of Clinical Pathology. What's hidden behind laboratory results?		Dental and oral pathology: a “smile” for every age		When small accesses lead to great results		Exotic animal medicine: updates
	Chairperson: Francesco Cian		Chairperson: Emma Bellei		Chairperson: Federico Massari		Chairperson: Igor Pelizzone
09:00	Welcome and introduction	09:00	Welcome and introduction	09:00	Welcome and introduction	09:00	Welcome and introduction
09:05	Age, sex and breed: the importance of signalment in the interpretation of haemato-biochemical data Federico Bonsembiante	09:05	Dental developmental anomalies: how to recognize, when and why to treat them Ana Nemec 	09:05	Management of chylothorax: What have we learned over the last 15 years Erin Gibson	09:05	Emerging disease in avian medicine Minh Huynh
09:50	Pre analytical errors in haemato-biochemical data: how to recognise and how to avoid them Laura Pintore	09:50	Malocclusion in young patients: when, how and why to treat them? Ana Nemec	09:50	Tips and tricks for thoracoscopic surgery in small animals - from anesthesia to advanced surgical techniques Erin Gibson	09:50	Update on avian aspergillosis and therapeutics Minh Huynh
10:35	Short communication	10:35	 Coffee Break & Exhibition	10:35	Short communication	10:35	Short communication
11:10	 Coffee Break & Exhibition	11:10	Short communication	10:55	 Coffee Break & Exhibition	10:55	 Coffee Break & Exhibition
11:30	Numbers and their hidden truth: the importance of monitoring Laura Pintore	11:30	Dental extraction techniques: which approach in relation to the age and tooth type Ana Nemec 	11:30	Options for the Management of Ureteral Obstructions in Dogs and Cats William Culp 	11:30	How to deal with rabbit respiratory diseases: from diagnosis to therapy Giulia Bersanetti
12:15	 Lunch break & Exhibition	12:15	 Lunch break & Exhibition	12:15	 Lunch break & Exhibition	12:15	 Lunch break & Exhibition
	Chairperson: Francesco Cian		Chairperson: Emma Bellei		Chairperson: Federico Massari		Chairpersons: Igor Pelizzone, Daniele Petrini
14:00	Avoiding common errors in skin mass cytology interpretation Kate Baker	14:00	Dental fractures in young and elderly dogs: the same treatment? Ana Nemec 	14:00	Updates on the Minimally Invasive Treatment of Vascular Ring Anomalies Erin Gibson	14:00	Feather picking psittacine: a new approach Minh Huynh
14:45	Lymph node lessons: a guide to cytologic diagnosis Kate Baker	14:45	Management of oral inflammatory lesions in cats: young and adult / elderly what changes? Ana Nemec	14:45	Updates on the Interventional Management of Intrahepatic Portosystemic Shunts William Culp	14:45	Psittacine beak surgery Minh Huynh
15:30	Short communication	15:30	Short communication	15:30	 Coffee Break & Exhibition	15:30	 Coffee Break & Exhibition
16:10	 Coffee Break & Exhibition	15:50	 Coffee Break & Exhibition	16:10	Short communication	16:10	Short communication
16:30	The cytology report: how to read it and how to write it Kate Baker	16:30	Periodontitis - a problem at any age: how to approach it rationally Ana Nemec 	16:30	Tips and tricks for maximizing success in laparoscopic adrenalectomy Erin Gibson	16:30	How to put catheters in any reptile Nicola di Girolamo
16:45	Questions and discussion						
17:15 Adjourn							

SCIENTIFIC PROGRAMME - SUNDAY 28 MAY, 2023

	Room dell'ARENGO		Room del CASTELLO 1		Sala del CASTELLO 2		Room del BORGIO
	NEUROLOGY		CARDIOLOGY		ONCOLOGY		OPHTHALMOLOGY
	Chiari Like Malformation and syringomyelia clinical features, diagnosis and therapy		Update on management of heart diseases in the dog		Minimally invasive surgery and interventional radiology in veterinary oncology: instructions for use		Ocular traumatology
	Chairperson: Federica Balducci		Chairperson: Serena Crosara		Chairperson: Maurizio Annoni		Chairperson: Michela Quarta
09:15	Welcome and introduction	09:15	Welcome and introduction	09:15	Welcome and introduction	09:15	Welcome and introduction
09:20	History and epidemiology of Chiari Like malformation Claire Rusbridge	09:20	My canine patient has an acquired heart disease: so what next? Michele Borgarelli	09:20	Utilizing MIS for biopsy and staging purposes William T.n. Culp	09:20	Ophthalmic examination in the emergency patient John Sapienza 
10:05	Pathophysiology of Chiari Like malformation Claire Rusbridge	10:05	How to optimize the management of the dog with acquired cardiac disease and heart failure Michele Borgarelli	10:05	And... what does the histopathologist think about that? Luisa Vera Muscatello	10:05	Trauma to the Orbit and Adnexa John Sapienza
10:50	☕ Coffee Break & Exhibition	10:50	Short communication	10:50	☕ Coffee Break & Exhibition	10:50	Short communication
11:25	Short communication	11:10	☕ Coffee Break & Exhibition	11:25	Short communication	11:10	☕ Coffee Break & Exhibition
11:45	Clinical signs and differential diagnosis Claire Rusbridge	11:45	Management of canine patients with refractory heart failure: clinical experience Michele Borgarelli	11:45	Urinary tract neoplasia interventions: stenting, embolization and ablation William T.n. Culp	11:45	Corneal traumatic lesions and therapy John Sapienza 
12:30	🍽️ Lunch break & Exhibition	12:30	🍽️ Lunch break & Exhibition	12:30	🍽️ Lunch break & Exhibition	12:30	🍽️ Lunch break & Exhibition
	Chairperson: Federica Balducci		Chairperson: Michele Borgarelli		Chairperson: Maurizio Annoni		Chairperson: Michela Quarta
13:30	MRI features of Chiari Like malformation Claire Rusbridge	13:30	Surgical treatment for congenital heart defect: what are the options? Chris Orton 	13:30	Approach to liver neoplasia: use of interventional options and deciding on surgery vs. IR William T.n. Culp	13:30	Globe and Uveal damage John Sapienza 
14:15	Medical treatment of Chiari Like malformation: when, what kind of drugs and outcome Claire Rusbridge	14:15	Advanced surgical treatment for congenital heart defect: hybrid procedures, septal defect and tricuspid valve repair Chris Orton 	14:15	Update on treatment of prostate neoplasia: embolization and surgery William T.n. Culp	14:15	Traumatic lenticular damage John Sapienza
15:00	Short communication	15:00	Short communication	15:00	Short communication	15:00	Short communication
15:20	Surgical treatment of Chiari Like malformation: when, what kind of surgery and outcome Claire Rusbridge	15:20	Degenerative mitral valve disease: emerging options for my patient Chris Orton 	15:20	Controversy and criticism: can we respect the principles of surgical oncology? William T.n. Culp	15:20	Case scenario: What would you do? John Sapienza
16:05 End of the congress							

IN-DEPTH SESSION

CARDIOLOGY

DEGENERATIVE MITRAL VALVE DISEASE: A DEEP DIVE

SATURDAY 27 MAY 2023

h 14:00-17:00

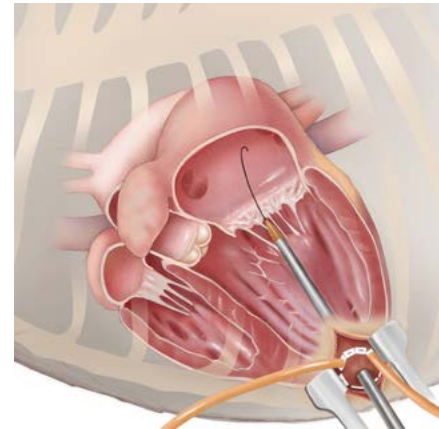

ROOM DEL PORTO

Chairperson: Michele Borgarelli

Speakers: Claudio Bussadori, Chris Orton

Maximum number of attendees: 30

Language: English

WORKSHOP

27 and 28 May, 2023

CPR: BLS and ALS Instructor Certification Workshop

**Instructor: Kenichiro Yagi MS, RVT, VTS (ECC, SAIM)
California (USA)**

Language: English

**Registration Fee: 400,00€ (incl. coffee breaks,
8 hrs. workshop + 8 hrs lecture assisting teaching)**

Deadline: 15 May

Maximum number of attendees: 8

28 May, 2023

CPR – BLS and ALS Rescuer Certification

**Instructor: Kenichiro Yagi MS, RVT, VTS (ECC, SAIM)
California (USA)**

Language: English

Registration Fee: 300,00€ (incl. coffee breaks)

Deadline: 15 May

Maximum number of attendees: 16

BEACH PARTY

27 May | 21:30

Darsena Sunset Bar
